Course Information

Description

This course prepares future secondary classroom teachers to understand how students with exceptionalities learn and to use basic strategies for meeting their educational needs. Participants will identify the way individuals differ, the exceptionalities defined in the Individuals with Disabilities Education Act, strategies to instruct students with various learning needs, curricular adaptations and accommodations for students with disabilities, and ways to collaborate with parents and professionals.

Learning Outcomes

Special education and the Individuals with Disabilities Education Act (IDEA)

1. Define special education and describe the legal structure of services for individuals with disabilities, including the Individuals with Disabilities Education Act (IDEA).

Students with disabilities

2. Describe the academic and behavioral characteristics and educational implications of students with high and low incidence disabilities.

Culture, ethnicity, language diversity, and disability

3. Describe the effects of cultural, ethnic, and language diversity on the education of individuals with disabilities.

Teaching students with disabilities in the general classroom

4. Explain research-supported methods for academic instruction of individuals with disabilities, including explicit instruction, learning strategies, task analysis, active participation, classroom management, and accommodation for the general curriculum.

Models and strategies for collaboration and consultation

5. Describe models and strategies of consultation and collaboration including co-planning and co-teaching.

Prerequisites

Admission to Secondary Education program or consent of instructor.

Participation Policy

The class sessions are designed with you in mind. Please plan to attend each of them and to participate actively in the problem solving activities. You will complete several in-class assignments that will count toward your grade. You will work in cooperative teams throughout the semester. Your participation in these teams will be valued. It is important to share your experiences and insights.

Attendance Policy

Students are expected to attend each class. **Attendance will be taken at the beginning of each class. Points are given for being on time to class and staying until class is over.** *At the discretion of the instructor a student's final grade may be lowered if the student has excessive non-university excused absences or tardies.* This will be done on a case by case basis. It is the student's responsibility for documenting any university excused absences. University excused absences will not count against a student. Please note that emailing the instructor before class letting them know you will not be in class does not make the absence excused.

Grading Policy

Assignments are due at the beginning of class. Late assignments are worth 50% for up to a week. After a week late assignments will not be accepted.

Some assignments are completed during class. If you are absent you will not be able to make up the missed work. In the case of university excused absences please speak to the professor.

Dec
04

Due: Tuesday, Dec 04 at 4:59 pm

You will be required to complete 12 hours of observation in the school.

You must complete at least 8 of the 12 hours in a secondary education classroom. The classroom must be taught by a general education teacher and must include students without disabilities. It must also include at least one student with a disability. You may complete all 12 hours in the classroom if desired.

You have the option to complete 4 hours in a volunteer experience of your choice with a person with a disability. The person can be of any age. You can complete these hours in a special education classroom if you choose, but it is not required.

You must complete 9 hours to pass the course. If you complete 9-11 hours you will lose 2 points of your final course grade for each hour you do not complete.

Please submit a one page single spaced description of your experience and a log that includes, the dates, times, locations and cooperating teacher(s).

CPSE 402 Final Exam

Dec
18

Due: Tuesday, Dec 18 at 7:45 pm

This is a closed book closed note final exam. Please plan to take the final exam in one sitting. I would strongly advise that you type your answers to the essay questions into a word document and cut and paste them into learning suite. This will resolve any pain that might occur with Learning Suite. Please delete your final exam questions in the word doc once you know your grade has been submitted. Good luck and email me at megan.langford@nebo.edu with any questions you have.

University Policies

Honor Code

In keeping with the principles of the BYU Honor Code, students are expected to be honest in all of their academic work. Academic honesty means, most fundamentally, that any work you present as your own must in fact be your own work and not that of another. Violations of this principle may result in a failing grade in the course and additional disciplinary action by the university. Students are also expected to adhere to the Dress and Grooming Standards. Adherence demonstrates respect for yourself and others and ensures an effective learning and working environment. It is the university's expectation, and every instructor's expectation in class, that each student will abide by all Honor Code standards. Please call the Honor Code Office at 422-2847 if you have questions about those standards.

Preventing Sexual Misconduct

sexual harassment-including sexual violence-committed by or against students, university employees, and visitors to campus. As outlined in university policy, sexual harassment, dating violence, domestic violence, sexual assault, and stalking are considered forms of "Sexual Misconduct" prohibited by the university.

University policy requires all university employees in a teaching, managerial, or supervisory role to report all incidents of Sexual Misconduct that come to their attention in any way, including but not limited to face-to-face conversations, a written class assignment or paper, class discussion, email, text, or social media post. Incidents of Sexual Misconduct should be reported to the Title IX Coordinator at t9coordinator@byu.edu or (801) 422-8692. Reports may also be submitted through EthicsPoint at <https://titleix.byu.edu/report> (<https://titleix.byu.edu/report>) or 1-888-238-1062 (24-hours a day).

BYU offers confidential resources for those affected by Sexual Misconduct, including the university's Victim Advocate, as well as a number of non-confidential resources and services that may be helpful. Additional information about Title IX, the university's Sexual Misconduct Policy, reporting requirements, and resources can be found at <http://titleix.byu.edu> (<http://titleix.byu.edu>) or by contacting the university's Title IX Coordinator.

Student Disability

Brigham Young University is committed to providing a working and learning atmosphere that reasonably accommodates qualified persons with disabilities. If you have any disability which may impair your ability to complete this course successfully, please contact the University Accessibility Center (UAC), 2170 WSC or 422-2767. Reasonable academic accommodations are reviewed for all students who have qualified, documented disabilities. The UAC can also assess students for learning, attention, and emotional concerns. Services are coordinated with the student and instructor by the UAC. If you need assistance or if you feel you have been unlawfully discriminated against on the basis of disability, you may seek resolution through established grievance policy and procedures by contacting the Equal Employment Office at 422-5895, D-285 ASB.
